

## Options and pricing

Your wedding isn't standard, so I don't just stick to standard packages. Every aspect of my photography can be specifically tailored to your day. However, as a guide I have given a few examples.

# Photography suggestions

## Example 1: £400

Including:

- Reasonable travel expenses
- Attendance at rehearsal or visit to location
- Photographer at ceremony and group shots afterwards.
- Web gallery for guests to order prints

## Example 2: £550

As sample 1 plus:

**Reception:** Following the ceremony I will take photos of the wedding breakfast, including speeches first dance.

## Example 3: £750

As sample 2 plus:

**Bride's preparation:** I will meet the bride at home or other location to capture more relaxed images of her pre-wedding preparation before attending the ceremony

**Party:** When there is a separate party after the wedding breakfast I will attend both to ensure that all aspects are covered. I can also show a slideshow of images from the ceremony at the party.

## Example 4: £950

As Sample 3 plus:

**Second photographer:** By bringing a second photographer to your special day I am able to ensure that no angle is missed. While the main shots are being taken, my second photographer will be able to capture those special little moments that take place all around.

**Staged shot:** While every aspect of your wedding is special, to capture that one iconic image of the bride and groom takes a little extra work. I will take you away from your guests for a short time to set up and capture that extra special shot.
